

# **Socioeconomic disparities in early language development: Predictors, consequences and considerations for intervention**

**Meredith L Rowe**  
Harvard Graduate School of Education

Tuesday 12<sup>th</sup> December, 11am – 12.30  
Room 2.220, University Place, University of Manchester

**ALL WELCOME**

## **Abstract**

In this talk I will describe our current knowledge of socioeconomic disparities in early language development and will highlight key predictors and consequences of these disparities. I will then present data from two small-scale intervention studies that target specific features of parent-child communication to promote children's early language learning.

## **Directions**

University Place is on Oxford Road , building 37 on the [Campus Map](#).
